IndiaSkills Competitions 2023

OUR SKILLS, OUR FUTURE

About WorldSkills and WorldSkills Competitions

Founded in 1950, WorldSkills is a global organisation that promotes vocational, technological, and service-oriented education and training.

WorldSkills promote skilled careers in 86 Member countries and regions, all working with youth, educators, governments and industries to help prepare the workforce and talent of today for the jobs of the future.

WorldSkills Competition is a biennial Competition.

Last WorldSkills Competition took place in 2022 and next is planned in 2024 at Lyon, France

Eligibility Criteria is Age and Skills. For WorldSkills Lyon : Born on and after 1 Jan 2002. For Some Skills it is born on and after 1 Jan 1999

About NSDC-WorldSkills India

WorldSkills India makes skills aspirational, inspires young talent, drives sectoral development, and helps stimulate the country's economy.

Empower

We empower the youth of India, through state and national-level competitions, and guide them to realise their full potential.

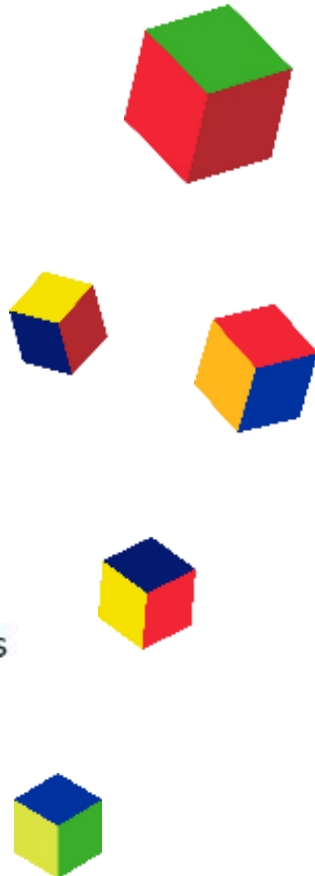

Engage

We engage with governments, industry and trainers to provide valuable skilling resources and strengthen our global representation.

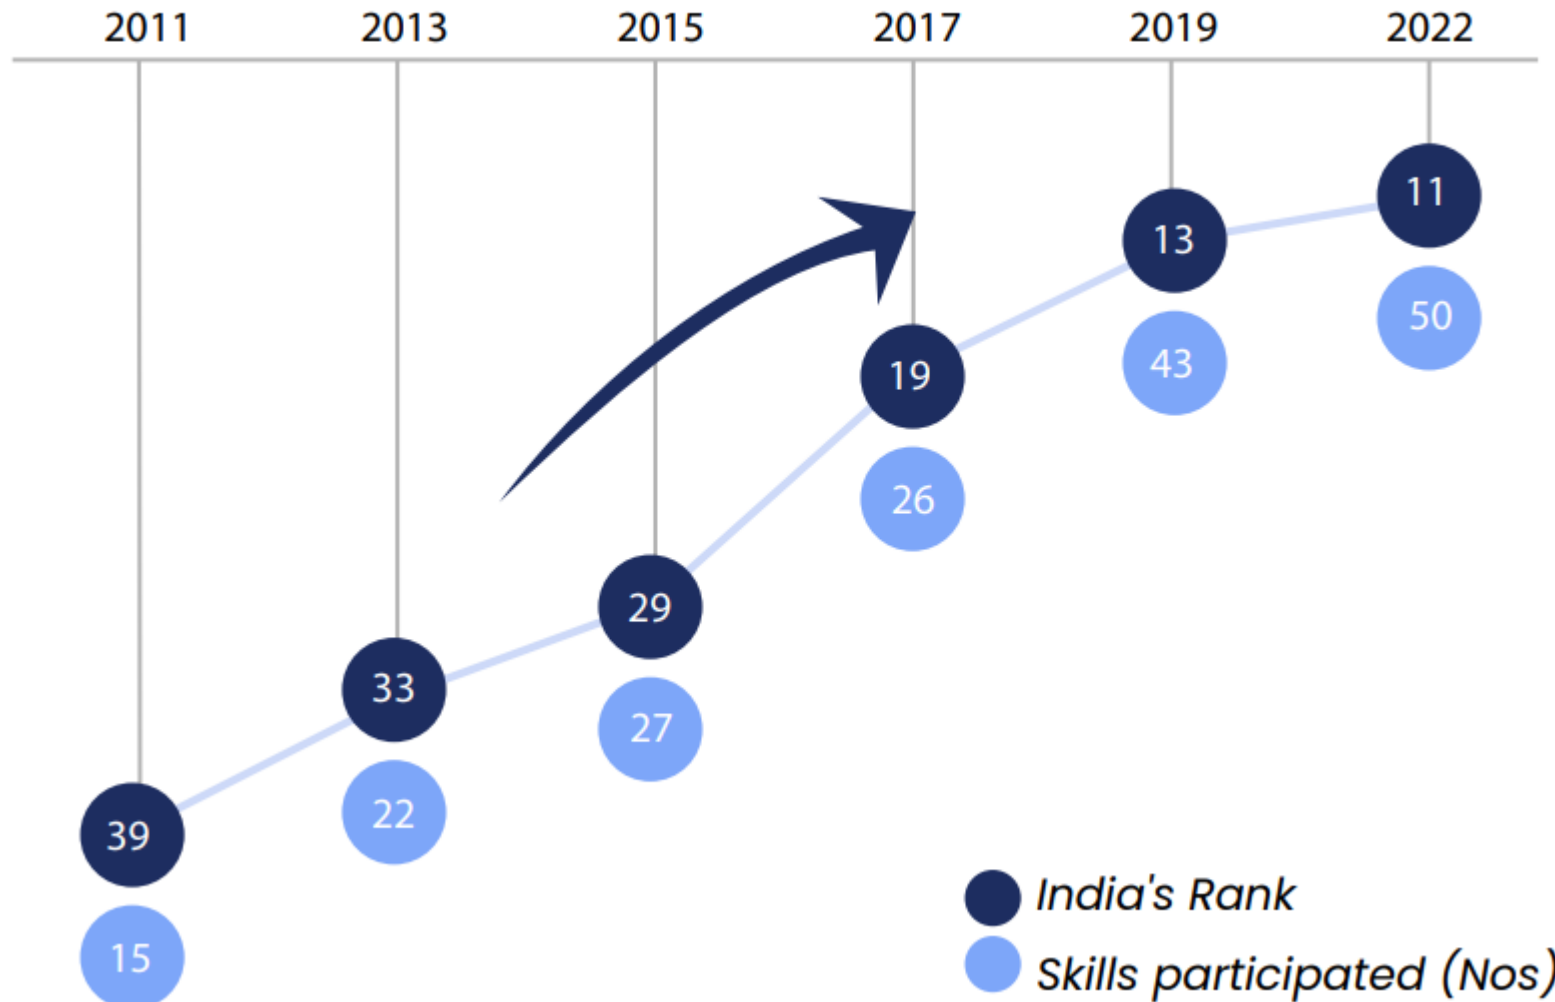

Excellence

We strive for excellence by sharpening skills as per global standards and preparing candidates for international platforms.

India at WorldSkills Competitions

YEAR OF WORLDSKILLS COMPETITION

In WorldSkills Competition 2022:

- **2 Silver Medals**
- **3 Bronze Medals**
- **13 Medallion for Excellence**

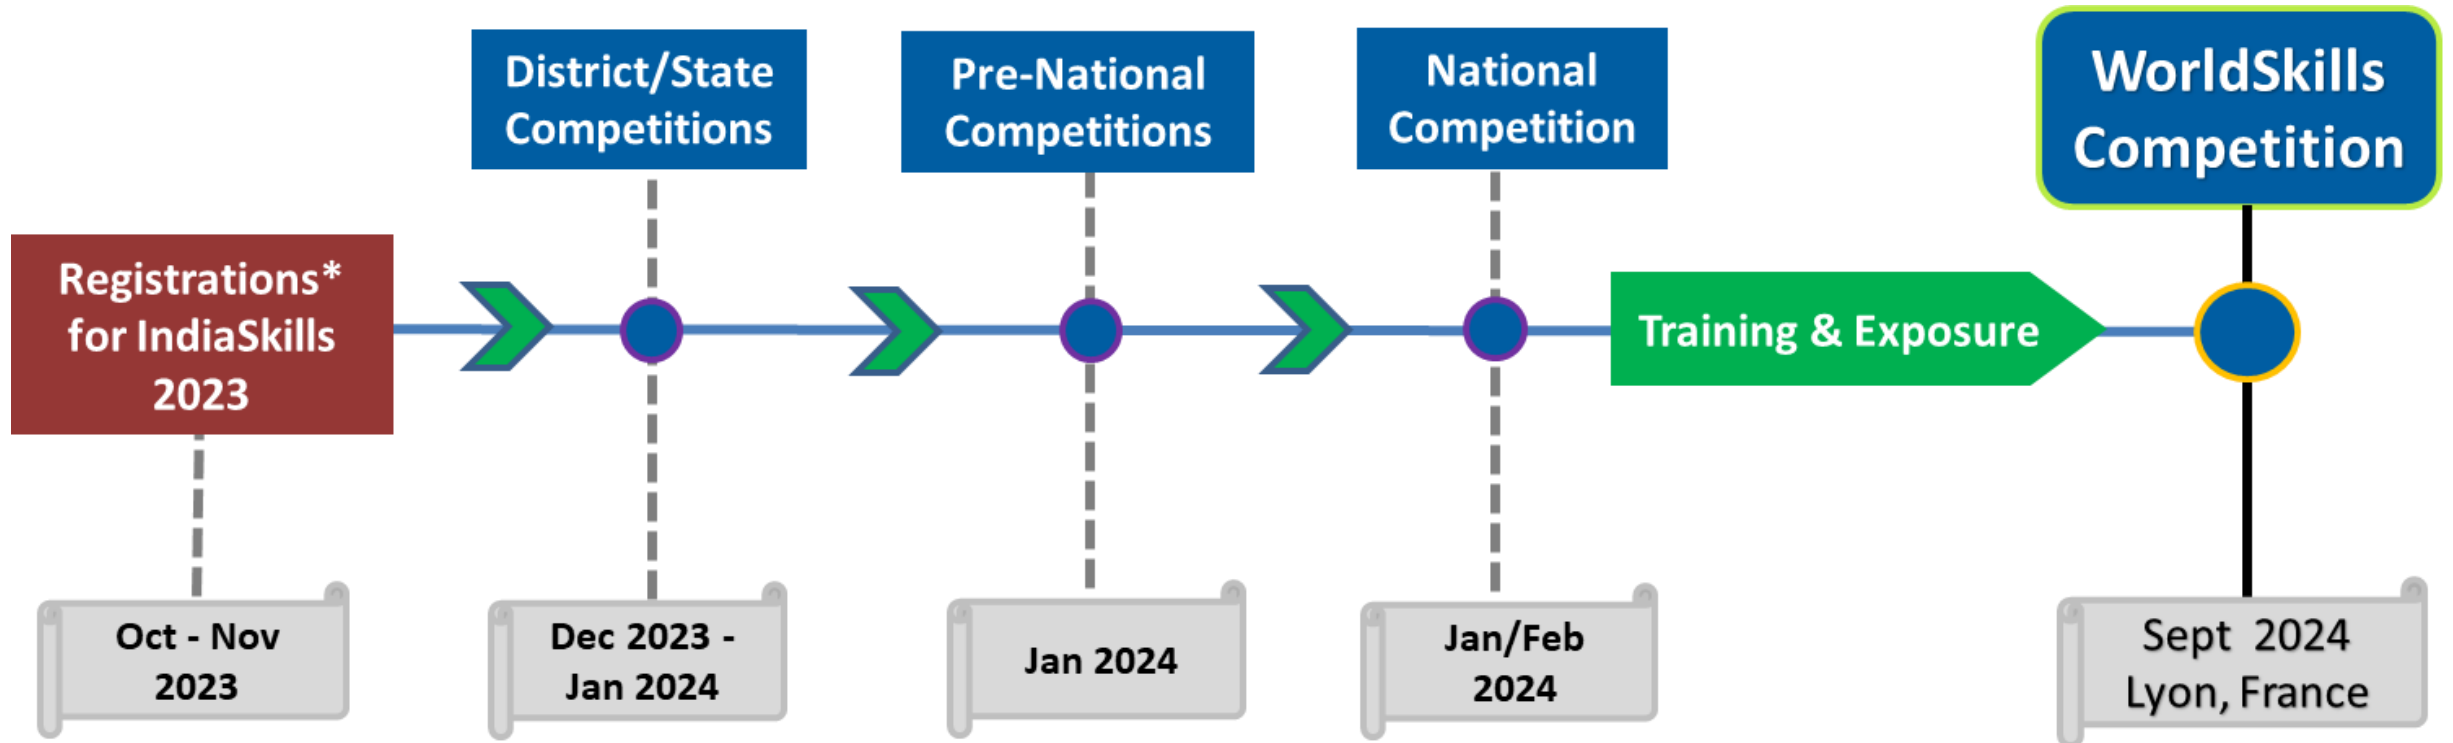

About IndiaSkills Competition

Key Objectives:

-  Promulgate skills in society to motivate the youth to pursue vocational education
-  Champion skills and learning for work through local, regional, national and international skills competitions
-  Create partnership network comprising governments, industry, academic partners, Vocational Education and Training (VET) institutions, trade associations and youth to promote skills
-  Facilitate cooperation among governments, industry and academia
-  Help the Indian youth attain world-class standards of competence, excellence and productivity

Registration for IndiaSkills Competition 2023

- On 17th October 2023, Shri. Dharmendra Pradhan Honourable Minister of Education, Skill Development and Entrepreneurship has launched IndiaSkills Competition 2023.
- Registrations are open at Skill India Digital : <https://www.skillindiadigital.gov.in/home>.
- As of now registrations will be done only on web browser not on the app.
- Attached is the user guideline for the registration process.

How to
Register_IndiaSkills 2023

Registration for IndiaSkills Competition 2023

The screenshot shows the homepage of the IndiaSkills Competition 2023 registration portal. The browser address bar displays "skillindiadigital.gov.in/home". The navigation menu includes "Schemes", "Recommendation", "Skill Courses", "Job Exchange", "Skill Centre", and "Skill India Map". There are "REGISTER" and "LOGIN" buttons. The main banner features the "India skills 2023" logo, the text "Participate in India's Biggest Skill Competition", and "Registrations Open!". A yellow button labeled "Click here to Register" is highlighted with a yellow arrow. Below it, the text "Last date: 30th November, 2023" is visible. The hashtag "#JUNONJEETKA" is displayed at the bottom. The background of the banner shows people working in a technical environment.

Registration for IndiaSkills Competition 2023

On your Dashboard, left side click “IndiaSkills 2023”

The screenshot shows the Skill India dashboard with a navigation bar at the top containing icons for Schemes, Recommendation, Skill Courses, Job Exchange, Skill Centre, and Skill India Map. The main content area is divided into three columns. The left column contains five quick-action cards: 'Your Aadhaar eKYC is completed' (with a checkmark), 'Sync documents with DigiLocker', 'IndiaSkills 2023', 'PMKVY', and 'e-SHRAM'. The middle column features a banner for 'Rashtriya Ekta Diwas Pledge' with a 'RUN FOR UNITY' slogan and portraits of leaders. Below the banner, it lists 'NSDC' with 18333+ students and a 00:02 hour duration, followed by a description of the event and a 'Go To Course' button. The right column displays a course card for 'Python Essentials Part 2' by Cisco Networking Academy, with 1663+ students and a 40:00 hour duration, including a description and a 'Go To Course' button. A blue 'Online' tag is visible in the top right corner of the course card.
