NOTICE

Subject: Restrictions on the usage of mobile phones in the college campus.

It has been observed that the most of the students remain busy with their mobile phones in the corridors/lawns/vacant class rooms in the college and deliberately skip their classes.

Taking into the consideration harmful effects of such behaviour, it has been decided by the college administration that the usage of mobile phones in the college campus will be restricted to academic purpose only. Any violation in this regard will be dealt seriously with definite consequences.
